

Brenda Galindo Rangel

Head of Regulatory Affairs & Quality, México

Brenda Galindo was born in Mexico City (Mexico) on March 09, 1980.

She holds a degree in Chemical Pharmacobiologist from Universidad Simón Bolívar, completed in **2005**. Additionally, she has pursued a master's degree in quality systems and administration from Universidad Simón Bolívar.

With more than **23 years** of experience 23 years of experience in Regulatory Affairs, Quality Systems, and Pharmacovigilance across LATAM markets, including pharmaceuticals (RX, OTC, Biologics, Dietary Supplements), Medical Devices, Orphan Drugs, and Biotech products. Proven track record in managing regulatory submissions, quality management systems (QMS) implementation, and ensuring compliance with regional and global standards (COFEPRIS, EMA, FDA).

In **2021**, Brenda joined Chiesi Mexico, to ensure that the company complies with all applicable regulations and laws in its sector. This involves not only overseeing regulatory activities but also implementing quality management systems to ensure that all products meet the standards set by the competent authorities. In addition, this position acts as the main point of contact with regulatory entities, managing the necessary communications and approval requests. Through a solid regulatory strategy, the goal is to facilitate the introduction of new products to the market, all within a framework of rigorous and proactive compliance.
